Sample Itinerary

- Day 1** Arrive at the lodge in time for a light lunch before embarking on your afternoon Safari to search for some of Africa's most iconic animals in the Big-5 Klaserie Private Nature Reserve. Your Game Drive will end at a romantic pre-wedding Bush Braai under the stars, before returning to the lodge for drinks around the fire.
- Day 2** Your Wedding Day. Begin the day with a sunrise Safari followed by a relaxing brunch at the lodge. The bride will enjoy a complimentary massage before your preparations begin in earnest. The intimate ceremony takes place at a beautiful bush location with a private sunset photoshoot for the couple and evening safari for guests. Finally, complete your special day with an elegant reception dinner and festivities at the lodge.
- Day 3** Relax and re-energise this morning with a visit to our qualified spa therapist or, alternatively, cease the day with a morning Game Drive. Later on, an extravagant Champagne Brunch in the bush precludes a day of recuperation by the infinity pool. The afternoon and evening consists of another Safari and delicious plated 3-course dinner.
